

CWA Student Ambassador Program

Planning and Program Design

1. Define Your Contributions:

- **We need your contribution** to increase website traffic, grow community members, promote specific courses/content, identify future talent, spread awareness about **Code with Ahsan** community).
- **Following are your key metrics for success, you have to do at least 3 out of these criteria every month.**
 - i. 50-100 New signups on [Code with Ahsan](#) website (via referral program)
 - ii. Courses completed on website by 50-100 members using your referral
 - iii. 1 Project done by referred project collaborator
 - iv. 1 University organized event
 - v. 1 weekly meetup hosting in the discord community

2. Determine Ambassador Benefits:

- **Exclusive Access:** Early access to new courses, content, projects to work on, or beta features.
- **Direct Mentorship:** Opportunities to connect directly with Ahsan or other senior developers in your community.
- **Profile Building:** Featured on the Code with Ahsan website/social media as an ambassador, LinkedIn recommendations.
- **Swag:** Digital badges, potentially physical merchandise (t-shirts, stickers) if budget allows for shipping.
- **Certificates/Recommendations:** Official certificates of participation, letters of recommendation.
- **Networking:** Exclusive ambassador-only online meetups.
- **Monetary/Perks (Optional):** Small stipends, discounts on courses & eligible products, or performance-based incentives (e.g., for X sign-ups or projects done by referred people in the community).

3. Eligibility Criteria:

- Currently enrolled university student (specify year if important).
- Demonstrated interest in coding/web development.
- Active on social media or within university student groups.
- Good communication skills.
- Enthusiasm for the mission of the **Code with Ahsan** community.

4. Program Structure:

- **Duration:** 3 Months From July 1, 2026 to Sep 30, 2026
- **Reporting:** 2 times a month via call and will be using discord channel for reporting via text messages
- **Communication Channel:** Dedicated Discord channel created - student ambassadors
